P&C Meeting
Change of Date:
Next Monday the 26th @ 6:30

Thank You for an Amazing Spring Fair
A huge thank you to everyone who supported our fabulous Spring Fair- your generosity and hard work made the day a massive success. I would particularly like to thank our amazing P&C and all the volunteers who made it possible. It is such a huge job and without these people it just wouldn't happen.

Grandfriends’ Day 😊
Grandparents and Grandfriends are invited to join us next Monday October 26 for Grandfriends’ day. This is a wonderful opportunity for Grandfriends to share their special bond and for our students to appreciate the wisdom and support of older people in their lives.

Please join us at:
9:30- Assembly (includes various performances)
10:15- Classroom visits (and the sharing of ‘old’ trinkets)
11:00- Morning Tea (provided) and a visit to the art show.
Congratulations Bands & Larissa
I was thrilled to watch our bands compete last week at Bandfest where they all performed exceptionally well. Congratulations to our Training Band - second place, our Concert Band - second place and our Jazz Band - first place. It was also very exciting to see our amazing Larissa receive a special award to acknowledge her trumpet talents "way beyond her years." Many thanks to our coordinating teachers- Mr Goeldner, Mrs Williams and Mr Thomas for all their work and of course our fantastic conductors and best wishes at Succession.

A Great Sports Day
Well done to our students who attended a sports gala day last Wednesday. A super day was had by all. I was so proud to see they were awarded the Sportsmanship trophy- congratulations team. Many thanks to Mr Kibble, Mrs Veale, Mrs Johnson and Mrs Sjostedt for their wonderful help.

Kind regards
Josie Bailey (principal)

Selective High School Placement
Application Dates & Procedures.

Applications for placement in Year 7 in selective high schools in 2017 are now open and close on 16 November 2015. Application information can be downloaded from the High Performing Students Unit website at: www.schools.nsw.edu.au/shsplacement

Parents without internet access are welcome to contact the school and access our computers.

It is very important to note that late applications will not be accepted.

Class Placements 2016
Throughout this term teachers will begin looking at class formations for 2016 based on their extensive experiences and expertise in working with your child in the school setting. This includes friendship skills, behaviour, learning and special needs. For most students with particular needs we would have already met with parents throughout the year and any special needs discussed will certainly be considered when determining their placement.

If there are special considerations that we are not aware of please make an appointment through your class teacher for a Learning and Support Team meeting. The previous practice of a written request for placement will no longer be supported.

We would appreciate your support with this matter as it is important we all work together to make the best decisions for each and every child.
