**Important Safety Reminders**

Please note that the children's crossing flags on Ian St are there to alert drivers to take care. The crossing area is not an actual pedestrian crossing requiring cars to stop therefore it is essential that normal care when crossing the road (i.e. waiting for cars to pass) is adhered to.

Please also be aware that the “No Stopping” signs around the school mean just that. We have had parents stopping as well as parking in these zones putting our children at risk. The “Kiss and Ride” areas mean you may drop your child off only. We have also had cars parking and even double parking in this area which is extremely dangerous and frustrating for others. I would appreciate your support with these issues.

Our local rangers have been notified and will be patrolling the areas to ensure the safety of our precious children.

See you all on Wednesday
Kind regards,

Josie Bailey (principal)

Sport - Week 4
Each year our Zone Primary School Sports Association (PSSA) invites students to trial in a range of sports for the opportunity to represent the East Lake Macquarie PSSA at zone level.

These trials are designed to select the elite athletes in the sports available. The East Lake Macquarie PSSA asks each school to only send students who are achieving at a higher than average level in their chosen sport. These are usually students from the senior grades.

This week a number of students will be representing themselves and EPS at the zone trials:
Tennis: Shany Eidels, Emily Watts, Rubin Arthur-Kelly, Max Cotton
Basketball: Torren Peters, Jake Freedman, Taryck Rich, Tayden Nicholas, Maddy Clifton and Eliza Morgan

Good luck to these students.
